21:00	<p>Concert with ENCARDIA "Ai Confini Dello Ionio (To the edge of the Ionian Sea)" at the Nikos Kazantzakis Open-Air Theatre</p> <p>From the coasts of Asia Minor and the far edge of Anatolia, to the shores of the Ionian Sea and Magna Grecia. Encardia's traditional rhythms and dances of the Italian South engage in a dialogue with the music of our unforgotten homeland, Ionia. An invisible thread connects the East and the West and clearly demonstrates that Greece and culture are intrinsically linked. This is why we chose to include tonight's concert in a festival dedicated primarily to the memories of Asia Minor. Encardia's music, song and dances will remind us that -as long we keep it in our heart and soul- Greece goes beyond the borders of the Greek State.</p>
